We understand that the Marriage Preparation classes held at Our Lady of Guadalupe consist of six sessions. By registering for these classes we commit to attending all six classes. We understand that if we do not both attend all six classes it is possible that the pastor or priest will require us to make up the missed classes before we can be married, even if this involves changing the planned date of our wedding. Both the bride and groom are required to attend all six sessions. Questions regarding classes and attendance should be directed to Our Lady of Guadalupe, Parish Wedding Monitor (DRE) at (512) 478-7955.
