We understand that there are six sessions for Marriage Preparation at Our Lady of Guadalupe Church. By registering for these classes we commit to attending all six classes. We understand that if we do not both attend all six classes it is possible that the pastor or priest will require us to make up the missed classes before we can be married, even if this involves changing the planned date for our wedding. One person attending classes is not allowed. Both the bride and groom must attend all classes. Questions regarding classes and attendance should be directed to Sr. Cynthia Salas, F.M.A.
