### OLG MEN'S MINISTRY ADOPTS MARIA GUADALUPE

The OLG Men's Ministry Group proudly announces the sponsorship of Maria Guadalupe, age 8, of Ocumicho, Michoacan, Mexico. Her sponsorship is made possible through the Christian Children's Fund.

Maria Guadalupe's parents work hard in another town. The grandparents are the ones who take care of her and her sister. The grandpa works hard as a farmer. The grandma does the house chores. The family's income is approximately less than U.S. \$2,200 annually. They belong to the Purepechas ethnic group and they speak their dialect. They own their dwelling, consisting of three rooms, a kitchen, and a latrine. It is made of adobe with a cardboard roof. It has no drainage and their furniture is in poor condition. Their daily meals are not well balanced.

Maria Guadalupe is of brown complexion and has brown hair and brown eyes. Her sister's name is Ana Patricia. She is attending a middle grade of elementary school and her favorite subject is Language. She is cheerful, friendly, and restless. She loves to play with dolls and is fond of dancing. She helps at home, running errands. Fortunately she is now in good health.

The Men's Ministry Group is a service ministry at Our Lady of Guadalupe. All men of the parish are invited to experience the exciting and rewarding projects designed in support of the entire parish. To become a member, please contact our officers or any member.
