

Blessed Clare of Rimini

Feast Day - January 9

We learn from the life of Blessed Clare of Rimini what a misfortune it is for a child to lose its mother at an early age. Her father could not devote much time and attention to the training of the vivacious girl, she grew up into maidenhood in a frivolous rather than in a Christian manner. Then, one day, ... she suddenly felt an inward urge to pray at least one Our Father with devotion. She yielded to this impulse of grace, and lo, in the course of the prayer her soul was so enlightened as to show her the very sad state in which she was living. Penitently she turned to the God of all mercies with the firm resolve earnestly to change her life. She was especially interested in encouraging young women to keep from sinful vanity and frivolous living,

Beata Clara de Rimini

Día de Fiesta - 09 de enero

Aprendemos de la vida de la beata Clara de Rimini qué desgracia es para un niño perder a su madre a una edad temprana. Su padre no podía dedicarle mucho tiempo y atención a la formación de niños vivaz, la cual creció en la virginidad en una manera frívola y no cristiana.

Entonces, un día, ..., de repente sintió un impulso interior para orar al menos un Padre nuestro con devoción. Ella cedió a este impulso de la gracia, y he aquí que en el curso de la oración su alma estaba tan iluminado hasta mostrarle el triste estado en el que estaba viviendo.

Ella estaba especialmente interesado en alentar a las mujeres jóvenes de evitar la vanidad pecaminosa y la vida

frívola,
