

107 Things Every Catholic Should Know

"We cultivate charity in the habit of humility." -- St. John Bosco

Q: "Our mistreatment of the natural world diminishes our own dignity and sacredness?"

Answer:

"Our mistreatment of the natural world diminishes our own dignity and sacred-ness, not only because we are destroying resources that future generations of humans need, but because we are engaging in actions that contradict what it means to be human. Our tradition calls us to protect the life and dignity of the human person, and it is increasingly clear that this task cannot be separated from the care and defense of all creation."

107 Cosas Todo Católico Debe Saber

"Cultivamos la caridad en el hábito de la humildad." - San Juan Bosco

Pregunta: ¿Nuestro maltrato del mundo natural disminuye nuestra propia dignidad y santidad?"

Respuesta:

"Nuestro maltrato del mundo natural disminuye nuestros propios recursos, dignidad, y santidad, no sólo porque estamos destruyendo lo que las futuras generaciones de humanos necesitan, sino porque estamos participando en las acciones que contradicen lo que significa ser humano. Nuestra tradición nos llama a proteger la vida y la dignidad de la persona humana, y es cada vez más claro que esta tarea no se puede separar de la atención y defensa de toda la creación."
